

July 18, 2018

Koncept, a market leader in the design and manufacture of contemporary LED lighting products, has appointed Prestige International as the exclusive distributor of its task lights to the ergonomic products channel in the United States.

“We at Koncept are very excited about our new partnership with Prestige. Their team has established long-standing relationships within the ergonomic community including retailers, corporate end users, and professional ergonomists,” said Doug Benway, National Sales Manager.

“We are excited to join with Koncept and continue to provide the best in-fashion top quality products and services to those in the ergonomic community,” Marc Bruh, CEO of Prestige said. “We have been following their rise for years and together with Koncept we will continue to reinforce how the best task lighting positively completes an ergonomic workspace.”

About Koncept:

With years of manufacturing and industrial design experience, the founders established Koncept in 2002 to design and manufacture innovative lighting products. The company has since developed an award-winning line of elegant LED lamps and lighting elements with the discriminating consumer in mind. Not only have consumers embraced Koncept's lighting for home and office, the designs have gained national and international acclaim. For more information, please visit: www.koncept.com

About Prestige International:

Prestige International is the largest ergonomic workstation products and accessories distributor in the United States. Prestige aims to promote healthy living and sustainability with a line of award-winning ergonomic, environmentally friendly input devices and computer workstation products.
