

Prestige International is a leading Global Business & Consumer Product Distributor & Service Company specializing in Office Ergonomics , Technology and Business Solutions

- Prestige International specializes in introducing products in the Office Ergonomics, Technology and Business Products space to Fortune 500 companies for their employees, as well as direct to consumer sales. We currently represent some of the industry's biggest name manufacturers in their specific categories.
- Our direct distribution partnerships with major channels like Synnex, New Age, W.B. Mason and many more, gets your Brand and products to the market place you desire. Prestige has also developed a close relationship with its long list of Manufacturer rep firms, major dot coms and retailers worldwide. Our personal relationships with decision makers in some of the world's largest companies, has helped resellers dramatically increase their own sales and helped the manufacturers we represent reach millions of dollars in revenues.
- With a large selection of marketing programs to choose from, as well as participation at industry specific trade shows and many other events, Prestige offers manufactures a large assortment of avenues to grow their brand at the right budget.
- Prestige also provides services such as warehousing large inventory (warehouses located throughout the United States), marketing, drop shipping, technical support and customer service retrospectively.

How we market:

- ▶ Our channels are numerous. Each category of product requires its own distribution and reseller network. Prestige's direct business with mass distributors like Synnex and New Age reach thousands of resellers, or our own direct relationships with some of the worlds largest resellers such as CDW, W.B. Mason, Walmart, B&H Photo to name a few - guarantees exposure of your products to millions of consumers.

- ▶ Prestige also has direct relationships with the product decision makers in many Fortune 100 & 500 companies like Apple, Google, Exxon, Facebook as well as some of the larger product rep groups around the country who work directly with most large corporations so the brands we represent are standardized and used in these companies by their employees

The main focus of Prestige is to focus on your Brand identity.

We always utilize the Brand name before anything else in all aspects of marketing for flyers, emails, tradeshow, etc.

2020 Tradeshow:

AMERICAN SOCIETY OF
SAFETY PROFESSIONALS

Distribution capabilities:

- ▶ Prestige provides services such as large inventory (warehouses located throughout the United States), marketing, exposure of products through major trade shows, drop shipping, technical support and customer service respectively.
- ▶ Prestige has warehouses on the East and West coasts along with over 100 various warehouses of our stocking resellers.
